A Tip From The Pros You Can Use At Home

Use a rubber band for stripped screws

Stuck trying to remove a screw where the edges are stripped? Place a common rubber band on the end of the screwdriver (top of the screw) to help you gain some grip over the screw and finish the job.

Congratulations to everyone nominated!

Minnesota RE Journal Real Estate Awards - April 20, 2023

RE Awards celebrate the best in commercial real estate in Minnesota, recognizing outstanding achievements and contributions from industry professionals and companies. We would like to congratulate everyone nominated for project, company, and county awards.
